Farm Fence – Hi Tensile Class 3 Galvanized

Style		Weight	Roll Size	Price	
8x42-12-12½	Fixed Knot	110 lbs.	20 rod (330 ft.)	283.50	
8x42-12-12½	Fixed Knot	220 lbs.	40 rod (660 ft.)	521.96	
9x49-12-12½	Fixed Knot	130 lbs.	20 rod (330 ft.)	322.26	
9x49-12-12½	Fixed Knot	260 lbs.	40 rod (660 ft.)	620.99	
<p>The graphic image to the right shows a 9x49-12-12½ style farm fence. 9 is the number of horizontal line wires, 49 is the overall height in inches, 12 is the pull-out or distance, in inches, of the vertical stay wires and 12½ is the wire gauge. Notice that the horizontal line wires are spaced closer together at the bottom to prevent small animals from passing through.</p>					
<p>A rod is equivalent to 16.5 feet or 5.0292 metres. There are 320 rods in a mile.</p>					

Farm Gates – with hold back chain, hinge bolts and washers

Part Number	Description	Price	
FG10	10' x 48"	257.52
